Week ID: C1-W6 • **Date:** 2026-10-17 • **Entry:** V13-WEEK-START-HERE.md\n\n**Week:** Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review chain — ŚB 1.2.18 · BG 2.13 · BG 2.20 · ŚB 11.9.29 · BG 8.15 **Session length:** 40 minutes (parallel track ~2:30–3:10) **Parents:** Remain onsite; reunite at 3:10 **Status:** Internal founding-cohort teaching material — human/temple review EXTERNAL_OPEN

Objective

Children **retrieve** Cycle 1 as one necklace of beads — hearing, body/self, soul who serves, rare chance, lasting lamp — and take home a five-bead family card. Drawing-only shares count as success; no ranking.

Exact memory phrase

We remember who we are and how our family chooses to live.

Teacher background (2 minutes to review)

- **KUTUMBA teaching meaning (adult wording):** Identity, purpose, and practice must form one coherent family life — reviewing the Cycle 1 chain with W5 locked as BG 8.15.
- **Child-facing paraphrase:** Five beads on one string: Hear+Practice · Body changes/I continue · Spark who serves · Rare chance · Thanks + Kṛṣṇa's lamp. Missing a week is okay — we refill kindly, not like a contest.
- **Block misconceptions (child words):**
- “Tonight is a contest / ranking.”
- “Only loud kids win.”
- “We must rush to Cycle 2 even if confused.”
- **Do not:** invent new ontology; score families; force verbal shares; cite Mṛgāri from wrong books if W4 bead appears (CC Madhya 24 only).

Materials

- Five large paper beads or circles labeled: Hear · Body/Self · Soul · Chance · Lamp
- Yarn or string for necklace demo
- Card stock for five-bead take-home cards
- Crayons; soft toss object; line-art if available
- “Drawing share” option cards (success without speaking)

Room setup

Five bead stations in a gentle path; circle for opening; aisles clear for Bead Walk.

Minute-by-minute executable plan

0–5 min — Opening and recall

1. Welcome; feet on floor. “Tonight we remember — not a contest.”
2. Show empty string, then add beads one by one as you name weeks lightly.

3. Echo memory phrase three times: *We remember who we are / and how our family / chooses to live.*
4. Ask: "Is drawing your bead okay?" Yes — celebrate nods.

5–13 min — Story script (paraphrase only; ~8 minutes)

Say exactly this spine (do not invent deity dialogue):

For five weeks our families learned pieces that belong on one string. First bead: Regular hearing and a tiny home practice steady our devotion. Second bead: My body changes; I continue as the conscious self — kind words about bodies. Third bead: I am an eternal soul — a spark who serves Kṛṣṇa, not the whole sun — and I still care for my body. Fourth bead: Human life is a rare chance to ask who I am and serve — chance words, not scare words. Fifth bead: Temporary joys with gratitude; lasting fulfillment in Kṛṣṇa — the lamp. Tonight we put the beads together. If your family missed a bead, we smile and refill. Loud is not wiser. Drawing is success. We remember who we are and how our family chooses to live.

Story boundaries: Review only locked primaries above. No new metaphysics. No ranking. W5 bead = BG 8.15. Mrgāri only if needed = Madhya 24.

13–16 min — Three wonder questions

1. Are we having a contest tonight? (**No**)
2. Name one bead you remember. (any week)
3. What is one way our family can live this week? (hear / kind words / serve / Must / thanks)

16–24 min — Movement game: Bead Walk (steps)

1. Place five bead stations in a path.
2. Children walk slowly station to station.
3. At each station, teacher gives a one-word cue; children echo the matching short line:
 - Hear → "Hear + Practice"
 - Body → "I continue"
 - Soul → "Spark who serves"
 - Chance → "Rare chance"
 - Lamp → "Thanks + lamp"
1. After station five, freeze and say full memory phrase.
2. Two full walks max. Optional: children carry a paper bead and drop it in a "family bowl" (no scores).
3. End seated.

24–32 min — Craft: Five-bead family card (steps)

1. Give horizontal card stock with five circles pre-drawn (or children draw five).
2. Color each bead a different color; helper labels 1–5 with week icons if literacy is limited.
3. Inside or below, write memory phrase (helper may write).
4. Child draws one family living choice in a sixth "live" box (dinner phrase, kind words, thanks).
5. Practice pointing beads 1→5 while whispering cues.
6. Offer drawing-only reunification option: show card instead of speaking.

Full steps in [activities/v13-younger/](#).

32–35 min — Printable / coloring task

Line-art if time; else keep bead card. Drawing-only is complete success.

35–38 min — Behavior redirects and quiet reset

- **Contest talk** — “No ranking — beads for every family.”
- **Dominating share** — “Friend’s turn; drawing is success.”
- **Running** — “Bead walk feet.”
- **Quiet reset** — calm corner with one bead; rejoin on phrase.

38–40 min — Cleanup and parent handoff

Memory: “We remember who we are and how our family chooses to live.” Home cue: point to one bead nightly and do one living choice. Drawing-only share is success. Do not rush confused families publicly.

Behavior redirects (quick reference)

Signal	Teacher line	Child action
Ranking talk	“No contest.”	Soft rewrite
Dominating	“Friend’s turn.”	Pass turn
Running	“Bead walk.”	Walk
Shutdown	“Drawing is success.”	Show card

Backup low-prep

Soft toss: catch → name one bead word (hear / continue / spark / chance / lamp). Three phrase echoes. Skip stations if energy crashes; use five cards on floor instead.

What success looks like

- Child can point to at least three beads with a cue word.
- Child can echo memory phrase.
- Child feels safe with drawing-only share.

Boundaries

- Snack/water at 3:30; no weekly meal.
- No family ranking; no “behind” labels.
- Review only — no new Cycle 2 ontology.
