10–20 minute speaking script

Welcome to our **Gītā Jayantī Family Utsava** planning Saturday — **2026-12-19**.

Calendar honesty: published planning example lists Gītā Jayantī on **2026-12-20**. Tonight is a **family observance candidate**, not a claim that our local exact tithi is settled. Local confirmation remains **EXTERNAL_OPEN**.

Essential question: How should our family receive Kṛṣṇa's Gītā instruction without pressure or ranking?

Primary: BG 18.65 — <https://vedabase.io/en/library/bg/18/65/>

KUTUMBA teaching meaning: "Always think of Me, become My devotee, worship Me, and offer homage unto Me; thus you will come to Me. I promise this because you are dear to Me."

The Gītā is Kṛṣṇa's instruction to Arjuna in a moment of confusion about duty. We will not invent battlefield dialogue. We will teach the invitation: remember Kṛṣṇa, live as His devotee, and honor Him in ordinary family life.

Analogy one — map of 18 chapters: a map helps travel; it is not the destination. Limit: children need not memorize all chapter titles tonight.

Analogy two — decision flashlight: the Gītā lights the next faithful step. Limit: not every modern choice has a one-verse slogan; some questions defer to parents/temple.

Analogy three — reading plan like watering a plant: tiny and regular. Limit: no competitive chapter-count contests.

Household case: A parent sets a child "book distribution quota" for Jayantī. Mistaken conclusion: love equals numbers. Principle: no pressure-based distribution goals for children. Action: gratitude for the book + one kind share if natural.

Memory line: **Think of Kṛṣṇa; become His devotee.**

Q&A boundaries

- Exact local date? → EXTERNAL_OPEN; published example 2026-12-20.
- Must children distribute books? → No quotas; gratitude and optional natural sharing only.
