10–20 minute speaking script

Welcome to our **Nityānanda Trayodaśī Family Utsava** planning Saturday — **2027-02-20**.

Calendar honesty: published example often lists **2027-02-19**. Tonight is a **family observance candidate**, not a settled exact local tithi claim (**EXTERNAL_OPEN**).

Essential question: How should mercy, service, and saṅkīrtana shape our family's next kind action?

Primary: CC Ādi 5.208 — <https://vedabase.io/en/library/cc/adi/5/208/>

KUTUMBA teaching meaning: "Nityānanda, intoxicated by ecstatic love and an incarnation of mercy, does not distinguish between the good and the bad."

We teach mercy and service. If Jagāi-Mādhāi is mentioned, keep it **age-sensitive**: people far from kindness are invited toward the holy name and service. **No graphic violence**. No speculative miracle embellishment.

Analogy one — mercy chain: one kind invitation leads to another. Limit: not every person responds immediately; do not force.

Analogy two — service challenge cards: small helps train the heart. Limit: service is not a scoreboard.

Analogy three — saṅkīrtana as invitation: listening counts. Limit: not a volume contest.

Household case: Older child wants to dramatize a violent scene "for realism." Redirect to mercy and helping. Principle: age-sensitive storytelling.

Memory line: **Nityānanda is an incarnation of mercy.**
