Program Director: Swapnil Patil Status: Internal founding-cohort — EXTERNAL_OPEN human/temple gates

What are we doing?

A Saturday 2:00–4:00 family program: parents + K–2 + Grades 4–5, three cycles across ~six months, plus three Utsava candidates and a reflection/Mela.

Exact calendar

See `launch/FIRST-SIX-MONTHS-CALENDAR.md` and `V13-FIRST-SIX-MONTHS-START-HERE.md`.

Friday prep

Open the week's `V13-WEEK-START-HERE.md`. Print the Saturday packet from `exports/final/v13/`. Rehearse MAIN speaking script once. Sort Y/O/P stacks. Confirm snack/water only.

What to print

Prefer `...-SATURDAY-PRINT-PACKET-V13.pdf`. Hold TEACHER-ONLY keys back.

Teacher roles

Main facilitator, parent facilitator, younger teacher, older teacher. Parents onsite.

Absence / makeup

Use protected offs / winter break / reflection Saturdays. Do not invent doctrine to “catch up.”

Cycle advance

Do not start next cycle while implementation FAIL/BLOCKING_WARNING remains on the prior cycle. Human gates may remain EXTERNAL_OPEN.

Projects

Cycle project progression maps live in each module `project/V13-MODULE-PROJECT-BRIEF.md` and master roadmap export.

Festivals

Utsava packs under module folders + `exports/final/v13/`. Local tithi EXTERNAL_OPEN.

Difficult questions

Deferral: “I don’t want to guess. I will verify from Śrīla Prabhupāda’s books / our source packet and come back to you.”

EXTERNAL_OPEN

Human/temple doctrinal & safeguarding review · local calendar · legal/rights beyond paraphrase · Gamma render · pilot/public GO.
