> Welcome. Today is C1-W2: I Am Not This Body.

> Essential question: How should body-language change?

> From BG 2.13: Just as the embodied self passes through childhood, youth, and old age in one body, the sober person is not bewildered when the self passes to another body.

> We hear, practice in age bands, reunite, and take one small home step. We do not rank families.

Body changes; conscious self continues.

Use week research ANALOGIES-AND-LIMITS and CASE-STUDIES. Ask discovery, understanding, and application questions. Likely adult Q: science proof? Answer: science may help habits; doctrine rests on śāstra.

- Psychology/photos prove the soul.

- Confusing analogy with scripture

- Importing next week's ontology early

Human/temple/publication approval; BBT ownership of KUTUMBA materials; science proving ātman.
