Saturday 2:00–4:00 · parents onsite · snack + water only

Week cover + objective

week_code: C1-W6 week_title: Integration Night: Who Am I, and How Should Our Family Live? derived_from: canonical_file: 03-first-six-months/FIRST-SIX-MONTH-DETAILED-CURRICULUM.md source_id: KUT-SRC-0004 source_hash: 7123781051c732bc82baee084284d0bcac6c6b5011baf12d07216c2e503a7f58 extraction_heading: "C1-W6 — Integration Night: Who Am I, and How Should Our Family Live?" extraction_date: 2026-06-30 component: overview ---

Cycle 1 — Identity and the Human Problem

Field	**Detail**
Week code	C1-W6
Cycle function	Integration, presentation, quiz, drama and family application
Purpose	Consolidate the first cycle through demonstration, not another lecture, and verify that families can connect identity, human purpose and temporary circumstances to one sustainable home practice.
Key verse	Bhagavad-gītā 2.13 — tathā dehāntara-prāptir dhīras tatra na muhyati
Memory line	A sober person understands bodily change and acts from spiritual identity.
Bhakti laboratory	Cycle 1 Learning Stations
Minimum home practice	Continue one selected Cycle 1 practice during the off week.

Verse / concept visual

Cycle 1 review chain

(review W1–W5 primary verses)

■B 1.2.18 · BG 2.13 · BG 2.20 · ■B 11.9.29 · BG 8.15

Identity, purpose, and practice must form one coherent family life — reviewing the Cycle 1 cl

KUTUMBA teaching meaning — not labeled as BBT translation

C1-W6: Integration Night: Who Am I, and How Should Our

Can our family explain and apply what we learned?

KUTUMBA original · Program Director: Swapnil Patel · human review required

Family handout / home practice

5–15 minutes

1. Say the memory/teaching line once.
2. Read the KUTUMBA teaching meaning for the primary verse (not a long purport).
3. One gratitude or service act.
4. Minimum version if tired: one sentence of thanks.

Saturday 2:00–4:00 remains the protected gathering; home practice is the daily/weekly cue.

Younger printable(s)

Theme: Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review — ŚB 1.2.18 · BG 2.13 · BG 2.20 · ŚB 11.9.29 · BG 8.15 **Memory phrase:** We remember who we are and how our family chooses to live.

Objective

Children walk five beads of Cycle 1, echo the memory phrase, and take home a five-bead family card. Drawing-only share is full success — no ranking.

Core activity — Necklace of Five Beads (5–8 min)

5. Show yarn; add beads one by one with child-friendly cues:
 - Hear + Practice
 - Body changes / I continue
 - Spark who serves
 - Rare chance
 - Thanks + lamp (Kṛṣṇa)
6. Children touch each bead and repeat the cue.

7. Say: “Missing a bead? We refill kindly — not a contest.”
8. Three echoes of memory phrase.

Story boundary

Review only the five locked primaries. No new ontology. No invented dialogue. No ranking. W5 bead = BG 8.15. If Mṛgāri mentioned: CC Madhya 24 only.

Movement — Bead Walk

9. Five stations in a path.
10. At each station, echo the cue word/line.
11. After station five, freeze + full memory phrase.
12. Two walks max. Optional: drop a paper bead in family bowl (no scores).

Craft — Five-bead family card (step-by-step)

13. Card with five circles (pre-drawn or child-drawn).
14. Color each bead differently; optional icons for weeks 1–5.
15. Write memory phrase below (helper may write).
16. Sixth “live” box: draw one family living choice.
17. Practice pointing 1→5 with cues.
18. Reunification option: show card instead of speaking.
19. Take home near dinner table.

Printable

Color `../visuals/V12/line-art-younger.svg` if present; else color bead card.

Backup (low prep)

Soft toss: “hear,” “continue,” “spark,” “chance,” “lamp.” Close with phrase. Floor cards instead of stations if needed.

Materials

Five bead cutouts, yarn, card stock, crayons, soft toss object, drawing-share option cards, line art optional.

Parent note

Home: point to one bead nightly + one living choice. Drawing-only presentation is success. No family ranking; do not publicly label anyone “behind.” Snack/water only at program.

Older printable(s)

Theme: Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review — ŚB 1.2.18 · BG 2.13 · BG 2.20 · ŚB 11.9.29 · BG 8.15 **Essential question:** Can our family explain and apply what we learned?

Materials for each student

Worksheet · pencil · chain diagram · scenario card · project half-sheet · teacher key `OLDER-ANSWER-KEY.md`.

Section A — Review chain observation

Copy the locked chain in order:

20. W1 _____ (hearing / home practice)
 21. W2 _____ (body changes; self continues)
 22. W3 _____ (eternal soul; not God Himself)
 23. W4 _____ (rare human opportunity)
 24. W5 _____ (lasting shelter) — confirm: ☐ BG 5.22 ☐ **BG 8.15** ☐ BG 9.27

For each week, write one blocked misconception (short):

Week	Blocked misconception
W1	
W2	
W3	
W4	
W5	

Integrated sentence: Identity, purpose, and practice form one coherent family life when we _____.

Section B — Scenario card response

☐ Contest fear ☐ One child dominates ☐ Rush to Cycle 2 while confused

25. Mistaken conclusion:
 26. Principle (integration / charter):
 27. Compassionate response:
 28. Better action:
 29. What not to say:

Section C — Necklace / station diagram

Hearing	Body/Self	Soul nature	Rare opportunity	Lasting shelter	Family living practice

Circle **Family living practice**. Write: *One chain — hear, identity, soul, chance, shelter.*

Section D — Chain Match Relay (class)

Match themes to locked primaries; reject distractors. If Mṛgāri appears, mark **M24** or **WRONG**.

Write the five correct pairs you matched:

Section E — Project contribution

Our family can explain Cycle 1 by _____.

We will apply _____ this week.

Share format tonight: ☐ one sentence ☐ drawing-only ☐ short team roles

Section F — Reflection

Where might ranking or speed pretend to be progress — and what will your family do instead? (2–4 sentences)

Home practice reminder

Point to one bead/week nightly + one living application. Invitational share only. Extend C1 privately if unclear. Snack/water only at program; no ranking.

Project contribution

Cumulative project title

Who Am I, and How Should Our Family Live?

Essential question

Can our family explain and apply what we learned?

This week layer

Tied to Cycle 1 chain (W5=BG 8.15): Identity, purpose, and practice form one life.

Steps

30. Discuss the essential question 3–5 minutes.
31. Produce one week-specific artifact.
32. Store for Week 6.
33. Bring one sentence or drawing to reunification.

Primary source

Cycle 1 chain (W5=BG 8.15) — <https://vedabase.io/en/library/bg/8/15/>

Boundaries

No ranking; no forced disclosure; distinguish scripture paraphrase from analogy. For W6 review, represent W5 with BG 8.15 (not BG 5.22 as primary).

Success look-fors

Artifact exists; family can state conclusion; home cue named.

TEACHER-ONLY: Answer key

Week: Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review chain (W5 locked as BG 8.15) **Do not distribute to students during first attempt. Not a ranking tool.**

Section A — expected directions

34. **W1** ŚB 1.2.18
35. **W2** BG 2.13
36. **W3** BG 2.20
37. **W4** ŚB 11.9.29
38. **W5 BG 8.15** (not BG 5.22 / 9.27 as primary)

Blocked misconceptions (examples):

- W1: Attendance alone equals growth
- W2: Psychology/photos prove the soul; or body contempt
- W3: I am God / science disproved the soul
- W4: Fear/death-pressure motivation
- W5: Affection/toys are worthless

Integrated sentence should join identity + purpose + practice without ranking language.

Section B — scenario directions

Contest fear

- Mistaken: Presentation = ranking.
- Response: Drawing-only / one-sentence options; celebrate presence.
- Do not: Score families aloud.

Dominating share

- Mistaken: Loudest = wisest.
- Action: Rotate roles (greeting / drawing / sentence); quieter voices first.
- Do not: Only talented child may speak.

Rush to C2

- Mistaken: Speed = progress.
- Action: Private recommend extend C1 review; home re-teach unclear week.
- Do not: “You’re slow”; public “behind” labels.

Section C — diagram

All five review nodes + living practice. Short echo in living-practice cell.

Section D — match

Correct pairs only for the five locked primaries. Reject distractors. Mṛgāri = CC Madhya 24 (M24); SB 6.x / SB 4.8 = WRONG.

Section E–F

Any sincere explain + apply plan; share format invitational. Reflection rejects ranking/speed-as-progress.

Scoring note

Use understanding / application / teamwork / source accuracy as **lenses only** — never placement scores.

Do not accept

- W5 primary marked as BG 5.22 instead of BG 8.15
- Ranking language in presentations
- Mṛgāri from SB 6.x / SB 4.8
- New Cycle 2 ontology dumped as if required tonight

TEACHER NOTE

Teacher-only section — do not distribute to families.

TEACHER-ONLY: Younger run sheet

Week: Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review chain — ŚB 1.2.18 · BG 2.13 · BG 2.20 · ŚB 11.9.29 · BG 8.15 **Session length:** 40 minutes (parallel track ~2:30–3:10) **Parents:** Remain onsite; reunite at 3:10 **Status:** Internal founding-cohort teaching material — human/temple review
EXTERNAL_OPEN

Objective

Children **retrieve** Cycle 1 as one necklace of beads — hearing, body/self, soul who serves, rare chance, lasting lamp — and take home a five-bead family card. Drawing-only shares count as success; no ranking.

Exact memory phrase

We remember who we are and how our family chooses to live.

Teacher background (2 minutes to review)

- **KUTUMBA teaching meaning (adult wording):** Identity, purpose, and practice must form one coherent family life — reviewing the Cycle 1 chain with W5 locked as BG 8.15.
- **Child-facing paraphrase:** Five beads on one string: Hear+Practice · Body changes/I continue · Spark who serves · Rare chance · Thanks + Kṛṣṇa's lamp. Missing a week is okay — we refill kindly, not like a contest.
- **Block misconceptions (child words):**
 - “Tonight is a contest / ranking.”
 - “Only loud kids win.”
 - “We must rush to Cycle 2 even if confused.”
- **Do not:** invent new ontology; score families; force verbal shares; cite Mṛgāri from wrong books if W4 bead appears (CC Madhya 24 only).

Materials

- Five large paper beads or circles labeled: Hear · Body/Self · Soul · Chance · Lamp
- Yarn or string for necklace demo
- Card stock for five-bead take-home cards
- Crayons; soft toss object; line-art if available
- “Drawing share” option cards (success without speaking)

Room setup

Five bead stations in a gentle path; circle for opening; aisles clear for Bead Walk.

Minute-by-minute executable plan

0–5 min — Opening and recall

39. Welcome; feet on floor. “Tonight we remember — not a contest.”
40. Show empty string, then add beads one by one as you name weeks lightly.
41. Echo memory phrase three times: *We remember who we are / and how our family / chooses to live.*

42. Ask: “Is drawing your bead okay?” Yes — celebrate nods.

5–13 min — Story script (paraphrase only; ~8 minutes)

Say exactly this spine (do not invent deity dialogue):

For five weeks our families learned pieces that belong on one string. First bead: Regular hearing and a tiny home practice steady our devotion. Second bead: My body changes; I continue as the conscious self — kind words about bodies. Third bead: I am an eternal soul — a spark who serves Kṛṣṇa, not the whole sun — and I still care for my body. Fourth bead: Human life is a rare chance to ask who I am and serve — chance words, not scare words. Fifth bead: Temporary joys with gratitude; lasting fulfillment in Kṛṣṇa — the lamp. Tonight we put the beads together. If your family missed a bead, we smile and refill. Loud is not wiser. Drawing is success. We remember who we are and how our family chooses to live.

Story boundaries: Review only locked primaries above. No new metaphysics. No ranking. W5 bead = BG 8.15. Mṛgāri only if needed = Madhya 24.

13–16 min — Three wonder questions

43. Are we having a contest tonight? (**No**)
44. Name one bead you remember. (any week)
45. What is one way our family can live this week? (hear / kind words / serve / Must / thanks)

16–24 min — Movement game: Bead Walk (steps)

46. Place five bead stations in a path.
47. Children walk slowly station to station.
48. At each station, teacher gives a one-word cue; children echo the matching short line:
 - Hear → “Hear + Practice”
 - Body → “I continue”
 - Soul → “Spark who serves”
 - Chance → “Rare chance”
 - Lamp → “Thanks + lamp”
49. After station five, freeze and say full memory phrase.
50. Two full walks max. Optional: children carry a paper bead and drop it in a “family bowl” (no scores).
51. End seated.

24–32 min — Craft: Five-bead family card (steps)

52. Give horizontal card stock with five circles pre-drawn (or children draw five).
53. Color each bead a different color; helper labels 1–5 with week icons if literacy is limited.
54. Inside or below, write memory phrase (helper may write).
55. Child draws one family living choice in a sixth “live” box (dinner phrase, kind words, thanks).
56. Practice pointing beads 1→5 while whispering cues.
57. Offer drawing-only reunification option: show card instead of speaking.

Full steps in [activities/YOUNGER-ACTIVITY-PACK.md](#).

32–35 min — Printable / coloring task

Line-art if time; else keep bead card. Drawing-only is complete success.

35–38 min — Behavior redirects and quiet reset

- **Contest talk** — “No ranking — beads for every family.”
- **Dominating share** — “Friend’s turn; drawing is success.”

- **Running** — “Bead walk feet.”
- **Quiet reset** — calm corner with one bead; rejoin on phrase.

38–40 min — Cleanup and parent handoff

Memory: “We remember who we are and how our family chooses to live.” Home cue: point to one bead nightly and do one living choice. Drawing-only share is success. Do not rush confused families publicly.

Behavior redirects (quick reference)

Signal	Teacher line	Child action
Ranking talk	“No contest.”	Soft rewrite
Dominating	“Friend’s turn.”	Pass turn
Running	“Bead walk.”	Walk
Shutdown	“Drawing is success.”	Show card

Backup low-prep

Soft toss: catch → name one bead word (hear / continue / spark / chance / lamp). Three phrase echoes. Skip stations if energy crashes; use five cards on floor instead.

What success looks like

- Child can point to at least three beads with a cue word.
- Child can echo memory phrase.
- Child feels safe with drawing-only share.

Boundaries

- Snack/water at 3:30; no weekly meal.
- No family ranking; no “behind” labels.
- Review only — no new Cycle 2 ontology.

TEACHER-ONLY: Older run sheet

Week: Integration Night — Who Am I and How Should Our Family Live? **Primary:** Cycle 1 review chain — ŚB 1.2.18 · BG 2.13 · BG 2.20 · ŚB 11.9.29 · BG 8.15 **Session length:** ~40 minutes (parallel track ~2:30–3:10) **Parents:** Remain onsite; reunite at 3:10 **Status:** Internal founding-cohort teaching material — human/temple review
EXTERNAL_OPEN

Objective

Students retrieve the Cycle 1 chain without ranking, match each week to its locked primary (W5 = **BG 8.15**), build a coherent identity–purpose–practice map, and answer: **Can our family explain and apply what we learned?**

Exact memory phrase

We remember who we are and how our family chooses to live.

Short echo: One chain — hear, identity, soul, chance, shelter.

Teacher background

- **KUTUMBA teaching meaning:** Identity, purpose, and practice must form one coherent family life — reviewing the Cycle 1 chain with W5 as BG 8.15.
- **Review set:** W1 ŚB 1.2.18 · W2 BG 2.13 · W3 BG 2.20 · W4 ŚB 11.9.29 · W5 BG 8.15.
- **Block:** Competition/ranking; loudest = wisest; speed to C2 while confused; wrong Mṛgāri sources.
- **Rubric lenses (never placement):** understanding, application, teamwork, source accuracy.

Materials

- Review verse strips (five references); worksheets; scenario cards (contest fear; one child dominates; rush to C2 — fictional)
- Necklace / station-map diagram; pencils; **OLDER-ANSWER-KEY.md**; project half-sheets
- Match cards: week theme ↔ verse reference (including distractors)

Minute-by-minute plan

0–5 min — Settle and hook

58. Welcome. “Retrieval is mercy, not a quiz show.”
59. Hook: “Is drawing-only or one sentence enough tonight?” Yes.
60. Essential question: Can our family explain and apply what we learned?

5–14 min — Primary text observation (review chain)

61. Display five references; students copy the chain in order.
62. Confirm W5 locked primary is **BG 8.15** (not a substitute support verse).
63. Observation prompts: Which verse steadies hearing practice? Which separates body/self? Which blocks “I am God”? Which teaches rare opportunity without fear? Which names lasting shelter?
64. One-sentence synthesis: identity + purpose + practice = coherent family life.
65. Paraphrase only; no new ontology.

14–22 min — Worksheet questions

Section A: match week→verse; short paraphrase each; name blocked misconception per week; write one integrated family living sentence.

22–28 min — Scenario cards

Card A — Family fears presenting (thinks contest). Card B — One child dominates every share. Card C — Parents want C2 despite W2–W3 confusion.

Mistaken / principle / response / action / what not to say. Share 60 sec.

28–33 min — Puzzle / game: Chain Match Relay

66. Teams quietly match five themes to five locked primaries (plus two distractor verses to reject).
67. Bonus: mark Mṛgāri source **M24** vs WRONG if a distractor appears.
68. One student explains the necklace in 20 seconds — no scores announced.

33–37 min — Diagram task

Fill: Hearing → Body/Self clarity → Soul nature → Rare opportunity → Lasting shelter → Family living practice

Circle **Family living practice**; write short echo inside.

37–40 min — Project + reflection + handoff

69. Project: “Our family can explain Cycle 1 by _____ and will apply _____ this week.”
70. Reflection: Where might ranking or speed pretend to be progress?
71. Parent handoff: invitational share; extend C1 privately if unclear; no public “behind.”

Extension

Build a four-lens checklist (understanding / application / teamwork / source accuracy) for their own share — still no placement scores.

Answer key pointer

activities/OLDER-ANSWER-KEY.md

Behavior and privacy

Rotate speakers; drawing-only OK; no ranking; snack/water on main schedule.
