| 38–40   | Handoff | Restate home practice: Remember one authorized name or quality of Kṛṣṇa once daily. |

## Text protocol (do this every week)

15. Student writes the reference.
16. Student underlines 3–6 keywords in IAST or teaching meaning.
17. Student restates the teaching meaning in one fresh sentence.
18. Student names one limit (what this verse is not saying).

## Discussion stems

- “What does the verse actually say — not what we wish it said?”
- “Where is the limit of our analogy?”
- “How would a family apply this without performing for others?”
- “What would ranking look like tonight, and how do we refuse it?”

## Case lab facilitator moves

- Read the situation once.
- Ask for the mistaken conclusion before giving the key.
- Require a compassionate response sentence that a parent could actually say.
- Close with the family action timed at 5–15 minutes.

## Assessment (formative, private)

- Can the student name BG 7.7?
- Can they restate the teaching meaning in their own words without truncation?
- Can they repair one misconception without sarcasm?
- For C3-W4 specifically: can they end the verse with paraṁ vijayate śrī-kṛṣṇa-saṅkīrtanam?
- For C3-W5 specifically: can they include iti pumsārpitā / topmost learning?
- For C3-W6 specifically: can they recite BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24?

## Safeguarding / tone

Respectful conviction, not aggressive debate. No public scoring of devotion. Parents onsite. If a safety disclosure appears, stop the lesson flow and follow safeguarding protocol.
