Setup (before children arrive)

- Lay stations left-to-right: Picture walk → Hands-on → Recall.
- Place memory phrase card at each station.
- Prepare helper badges (sticker + “helper” word).
- Keep one calm-corner mat with a single picture card.

Station A — Picture walk (8–10 min)

Nine-process action circle with picture icons and simple gestures.

Teacher script: “Walk slowly. Point to one picture. Tell me one word you notice.” **Look-fors:** pointing, one-word share, gentle hands. **Adaptation:** child may carry the card without speaking.

Station B — Hands-on (8–10 min)

Prahlāda focus: he remembers and speaks about Kṛṣṇa (gentle).

Teacher script: “We practice with care. If it feels too much, you may be the materials helper.” **Look-fors:** attempt + cleanup. **Adaptation:** hand-over-hand help from parent onsite.

Station C — Recall game (5–7 min)

Nine-petal flower craft; child chooses one petal to ‘try at home.’

Teacher script: “Whisper our phrase with me: Nine ways to love Viṣṇu — and that dedicated bhakti is the highest learning.” **Look-fors:** choral attempt; smile; no forced solos.

Materials

- icons
- petal craft
- glue sticks
- crayons

Success look-fors (not scores)

- Child can gesture or say the memory phrase with help.

Objective

Children meet nine process icons with gestures and Prahāda as a rememberer/speaker about Kṛṣṇa.

Exact memory phrase

Nine ways to love Viṣṇu — and that dedicated bhakti is the highest learning.

Teacher background (enough to teach without improvising)

Primary: ŚB 7.5.23–24 (<https://vedabase.io/en/library/sb/7/5/23-24/>).

Teaching meaning to keep in mind: Hearing, chanting, remembering, serving the Lord's feet, worship, offering prayers, becoming a servant, friendship, and full self-surrender — these nine processes of bhakti, when offered to Viṣṇu, are the topmost learning.

Block tonight: Bhakti = only attending class / pride in a single process while scorning others..

Parents remain onsite. Session is Saturday 2:00–4:00 with snack/water only (no weekly meal).

Timed run-of-show (about 40 minutes inside the track window)

Minutes	Move	Exact teacher language / action
0–5	Arrival + wonder	“Today we learn: Nine ways to love Viṣṇu — and that dedicated bhakti is the highest learning.. Can your hands show listening?”
5–15	Story / picture	Use only authorized paraphrase from SCRIPTURAL-EXAMPLES and the week story boundary. No invented dialogue for the Lord.
15–28	Movement / hands-on	Run YOUNGER-ACTIVITY-PACK stations in order. Offer opt-out quiet helper role.
28–35	Recall	Choral memory phrase twice; one child restates with a picture card.
35–40	Cleanup + handoff	“Tell your family one word: nine.”

Step-by-step story boundary

5. Open with one concrete child-scale scene connected to this week's essential question: How does bhakti fill a whole family life — not only Friday class?
6. Introduce the Lord or teacher figure only with authorized names and actions.
7. Pause for a wonder question before the craft.
8. Close by tying the craft to the memory phrase — not to fear or competition.

Wonder questions (ask, then wait)

9. What was new for your ears today?
10. Whom can we serve with care?
11. When can our family practice five quiet minutes?

Movement / hands-on / craft / coloring (executable)

12. Nine-process action circle with picture icons and simple gestures.
13. Prahlāda focus: he remembers and speaks about Kṛṣṇa (gentle).
14. Nine-petal flower craft; child chooses one petal to 'try at home.'

Use [visuals/V12/line-art-younger.svg](#) if available for coloring; otherwise plain paper + three labels. If a child refuses craft, they may be card-holder or line leader.

Inclusive participation menu

- Full participant
- Listener with gesture
- Materials helper
- Door/line helper beside an adult

Never require performance singing or public speaking.

Behavior redirects (short)

- Feet on floor · kind words · toy rests · quiet reset corner with a picture card.
- Never use chanting, verse, or seating as punishment.
- If a child is overwhelmed, offer helper role (card holder / line leader) with adult nearby.
- If two children conflict, separate gently, name the stewardship/friend rule for this week, and reset materials together.

Backup if energy crashes (5 minutes)

Circle: whisper memory phrase → stretch → place one sticker on “we tried” chart (no scores). If still flooded, quiet picture walk of three cards only.

Materials checklist

- icons
- petal craft
- glue sticks
- crayons
- Tissues, wipes, spare pencils
- Parent handoff cards pre-written with memory phrase

Parent handoff line

TEACHER-ONLY: Older run sheet

KUTUMBA • Families Growing in Krishna Consciousness Program Director: Swapnil Patil Status: Internal founding-cohort teaching material — human/temple review EXTERNAL_OPEN

Objective

Students categorize processes and explain why verse 24 calls dedicated bhakti the topmost education.

Exact memory / thesis line

Nine ways to love Viṣṇu — and that dedicated bhakti is the highest learning.

Teacher background

Primary: ŚB 7.5.23–24 — <https://vedabase.io/en/library/sb/7/5/23-24/>

IAST: śravaṇaṁ kīrtanaṁ viṣṇoḥ smaraṇaṁ pāda-sevanam / arcanaṁ vandanaṁ dāsyam sakhyam ātma-nivedanam // iti pumsārpitā viṣṇau bhaktiś cen nava-lakṣaṇā / kriyeta bhagavatya addhā tan manye 'dhītam uttamam

Teaching meaning: Hearing, chanting, remembering, serving the Lord's feet, worship, offering prayers, becoming a servant, friendship, and full self-surrender — these nine processes of bhakti, when offered to Viṣṇu, are the topmost learning.

Block: Bhakti = only attending class / pride in a single process while scorning others.

Timed run-of-show (about 40 minutes)

Minutes	Move	Instructions
0–5	Hook	Pose essential question: How does bhakti fill a whole family life — not only Friday class? Collect 2–3 short answers without debate.
5–15	Text	Display Devanāgarī + IAST. Students mark keywords. Read teaching meaning in full.
15–25	Case lab	Run one case from the main guide; students write mistaken conclusion → repair.
25–33	Activity pack	Complete OLDER-ACTIVITY-PACK primary task; use answer key

Minutes	Move	Instructions
		privately.
33–38	Share	Two volunteers; no ranking; source must be named.
38–40	Handoff	Restate home practice: Continue the family's core practice and add one underused process once.

Text protocol (do this every week)

15. Student writes the reference.
16. Student underlines 3–6 keywords in IAST or teaching meaning.
17. Student restates the teaching meaning in one fresh sentence.
18. Student names one limit (what this verse is not saying).

Discussion stems

- “What does the verse actually say — not what we wish it said?”
- “Where is the limit of our analogy?”
- “How would a family apply this without performing for others?”
- “What would ranking look like tonight, and how do we refuse it?”

Case lab facilitator moves

- Read the situation once.
- Ask for the mistaken conclusion before giving the key.
- Require a compassionate response sentence that a parent could actually say.
- Close with the family action timed at 5–15 minutes.

Assessment (formative, private)

- Can the student name ŚB 7.5.23–24?
- Can they restate the teaching meaning in their own words without truncation?
- Can they repair one misconception without sarcasm?
- For C3-W4 specifically: can they end the verse with param vijayate śrī-kṛṣṇa-saṅkīrtanam?
- For C3-W5 specifically: can they include iti puṁsārpitā / topmost learning?
- For C3-W6 specifically: can they recite BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24?

Safeguarding / tone

Respectful conviction, not aggressive debate. No public scoring of devotion. Parents onsite. If a safety disclosure appears, stop the lesson flow and follow safeguarding protocol.
