| <b>**Purpose**</b>               | Integrate the first six months by demonstrating who Kṛṣṇa is, how knowledge is received and how the nine processes become family life, then establish a simple continuing practice before the next curriculum phase. |
| <b>**Key verse**</b>             | Śrīmad-Bhāgavatam 7.5.23–24 — iti puṁsārpitā viṣṇau bhaktiś cen nava-lakṣaṇā                                                                                                                                         |
| <b>**Memory line**</b>           | These processes become pure devotional service when offered to Viṣṇu with one's life and intention.                                                                                                                  |

| <b>**Minimum home practice**</b> | Begin the thirty-day baseline with the smallest daily practice.                                                                                                                                                      |

## C3-W6: Bhakti Mela: Kirtana, Drama and Family Presentat

Share what we learned with joy and humility.

KUTUMBA original - Program Director: Swapnil Patil - human review required

## Family handout / home practice

1. Say the memory/teaching line once.
2. Read the KUTUMBA teaching meaning for the primary verse (not a long purport).
3. One gratitude or service act.
4. Minimum version if tired: one sentence of thanks.

Saturday 2:00–4:00 remains the protected gathering; home practice is the daily/weekly cue.

## Younger printable(s)

KUTUMBA • Families Growing in Krishna Consciousness Program Director: Swapnil Patil Status: Internal founding-cohort teaching material — human/temple review EXTERNAL\_OPEN

### Setup (before children arrive)

- Lay stations left-to-right: Picture walk → Hands-on → Recall.
- Place memory phrase card at each station.
- Prepare helper badges (sticker + “helper” word).
- Keep one calm-corner mat with a single picture card.

### Station A — Picture walk (8–10 min)

Procession of nine-process icons + five verse-name flags (including CC Antya 20.12 flag).

**Teacher script:** “Walk slowly. Point to one picture. Tell me one word you notice.” **Look-fors:** pointing, one-word share, gentle hands. **Adaptation:** child may carry the card without speaking.

### Station B — Hands-on (8–10 min)

Two call-and-response mantras; listener role honored.

**Teacher script:** “We practice with care. If it feels too much, you may be the materials helper.” **Look-fors:** attempt + cleanup. **Adaptation:** hand-over-hand help from parent onsite.

## Station C — Recall game (5–7 min)

Safe drama role in a short ‘family garden’ or Govardhana protection scene; sticker on daily/weekly/monthly pictures.

**Teacher script:** “Whisper our phrase with me: BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24 — learned, shared, continued.” **Look-fors:** choral attempt; smile; no forced solos.

## Materials

- flags
- icons
- stickers
- simple props

## Success look-fors (not scores)

- Child can gesture or say the memory phrase with help.
- Child participates or takes a helper role without pressure.

Station keeps time, names sources, no scoring.

### Task 3 — Application quality

Baseline is small and specific.

### Facilitator note

Use privately. Do not announce scores. Affirm effort and source accuracy.

#### TEACHER NOTE

# TEACHER-ONLY: Younger run sheet

**KUTUMBA • Families Growing in Krishna Consciousness Program Director: Swapnil Patil Status:** Internal founding-cohort teaching material — human/temple review EXTERNAL\_OPEN

## Objective

Children join procession, simple kīrtana, and a safe drama role without pressure.

## Exact memory phrase

*BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24 — learned, shared, continued.*

## Teacher background (enough to teach without improvising)

Primary: Cycle 3 review chain: BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24 (<https://vedabase.io/en/library/sb/7/5/23-24/>).

Teaching meaning to keep in mind: Bhakti Mela — review the Cycle 3 chain (peace formula, Kṛṣṇa’s supremacy, guru-sādhū-śāstra, saṅkīrtana victory, nine processes) and celebrate family presentation without ranking.

Block tonight: Competitive scoring of devotion / replacing CC Antya 20.12 with vague ‘holy name’ in the review chain..

Parents remain onsite. Session is Saturday 2:00–4:00 with snack/water only (no weekly meal).

## Timed run-of-show (about 40 minutes inside the track window)

| Minutes | Move                | Exact teacher language / action                                                                                                            |
|---------|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| 0–5     | Arrival + wonder    | “Today we learn: BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24 — learned, shared, continued.. Can your hands show listening?” |
| 5–15    | Story / picture     | Use only authorized paraphrase from SCRIPTURAL-EXAMPLES and the week story boundary. No invented dialogue for the Lord.                    |
| 15–28   | Movement / hands-on | Run YOUNGER-ACTIVITY-PACK stations in order. Offer opt-out quiet helper role.                                                              |
| 28–35   | Recall              | Choral memory phrase twice; one child restates with a picture card.                                                                        |
| 35–40   | Cleanup + handoff   | “Tell your family one word: share.”                                                                                                        |

## Step-by-step story boundary

5. Open with one concrete child-scale scene connected to this week's essential question: How do we celebrate what we learned — with joy, accuracy, and no ranking?
6. Introduce the Lord or teacher figure only with authorized names and actions.
7. Pause for a wonder question before the craft.
8. Close by tying the craft to the memory phrase — not to fear or competition.

## Wonder questions (ask, then wait)

9. What was new for your ears today?
10. Whom can we serve with care?
11. When can our family practice five quiet minutes?

## Movement / hands-on / craft / coloring (executable)

12. Procession of nine-process icons + five verse-name flags (including CC Antya 20.12 flag).
13. Two call-and-response mantras; listener role honored.
14. Safe drama role in a short 'family garden' or Govardhana protection scene; sticker on daily/weekly/monthly pictures.

Use [visuals/V12/line-art-younger.svg](#) if available for coloring; otherwise plain paper + three labels. If a child refuses craft, they may be card-holder or line leader.

## Inclusive participation menu

- Full participant
- Listener with gesture
- Materials helper
- Door/line helper beside an adult

Never require performance singing or public speaking.

## Behavior redirects (short)

- Feet on floor · kind words · toy rests · quiet reset corner with a picture card.
- Never use chanting, verse, or seating as punishment.
- If a child is overwhelmed, offer helper role (card holder / line leader) with adult nearby.
- If two children conflict, separate gently, name the stewardship/friend rule for this week, and reset materials together.

## Backup if energy crashes (5 minutes)

Circle: whisper memory phrase → stretch → place one sticker on "we tried" chart (no scores). If still flooded, quiet picture walk of three cards only.

## Materials checklist

- flags
- icons
- stickers
- simple props
- Tissues, wipes, spare pencils

- Parent handoff cards pre-written with memory phrase

## Parent handoff line

*Tonight's phrase is: "BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24 — learned, shared, continued.." Home cue: Begin the thirty-day baseline with the smallest daily practice..*

|---------|----------|----------------------------------------------------------------------------------------------------------------------------------------------|
| 0–5     | Hook     | Pose essential question: How do we celebrate what we learned — with joy, accuracy, and no ranking? Collect 2–3 short answers without debate. |
| 5–15    | Text     | Display Devanāgarī + IAST. Students mark keywords. Read teaching meaning in full.                                                            |

| Minutes | Move          | Instructions                                                                           |
|---------|---------------|----------------------------------------------------------------------------------------|
| 25–33   | Activity pack | Complete OLDER-ACTIVITY-PACK primary task; use answer key privately.                   |
| 33–38   | Share         | Two volunteers; no ranking; source must be named.                                      |
| 38–40   | Handoff       | Restate home practice: Begin the thirty-day baseline with the smallest daily practice. |

## Text protocol (do this every week)

15. Student writes the reference.
16. Student underlines 3–6 keywords in IAST or teaching meaning.
17. Student restates the teaching meaning in one fresh sentence.
18. Student names one limit (what this verse is not saying).

## Discussion stems

- “What does the verse actually say — not what we wish it said?”
- “Where is the limit of our analogy?”
- “How would a family apply this without performing for others?”
- “What would ranking look like tonight, and how do we refuse it?”

## Case lab facilitator moves

- Read the situation once.
- Ask for the mistaken conclusion before giving the key.
- Require a compassionate response sentence that a parent could actually say.
- Close with the family action timed at 5–15 minutes.

## Assessment (formative, private)

- Can the student name Cycle 3 review chain: BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24?
- Can they restate the teaching meaning in their own words without truncation?
- Can they repair one misconception without sarcasm?
- For C3-W4 specifically: can they end the verse with paraṁ vijayate śrī-kṛṣṇa-saṅkīrtanam?
- For C3-W5 specifically: can they include iti pumsārpitā / topmost learning?
- For C3-W6 specifically: can they recite BG 5.29 · BG 7.7 · BG 4.34 · CC Antya 20.12 · ŚB 7.5.23–24?

## Safeguarding / tone

Respectful conviction, not aggressive debate. No public scoring of devotion. Parents onsite. If a safety disclosure appears, stop the lesson flow and follow safeguarding protocol.
