INTERNAL RESEARCH

Per-week `research/` folders hold scriptural examples, cases, analogies, science/application, and claim registers. Controlling Saturday speech stays in the facilitator guide; research supports prep and citation.

Acceptance evidence: `build-evidence/V12_1-*.md` / `V12_1-*.csv`.

EXTERNAL_OPEN

- Pilot GO / temple or community human approval
- Any required BBT/third-party formal license beyond fair teaching paraphrase + labelled KUTUMBA meanings

Rules

- Do not erase core curriculum for festivals.
- No child fasting instructions unless formally approved.
- Missed concepts are reviewed before advancing.

Program rules / covenant

Scope: Cycle 1 founding cohort — voluntary program commitment **Not:** a legal contract, employment agreement, or temple membership instrument **Privacy:** Do not commit completed signed copies or real family names to Git

Purpose

This covenant helps four founding families and facilitators share clear expectations for Saturday 2:00–4:00 PM KUTUMBA sessions so that hearing, practice, and mutual respect can grow safely.

What KUTUMBA is / is not

Is	Is not
Family sādhana and formation community	Social club or drop-off childcare
Protected weekly hearing + home practice	Substitute for the temple
Parent-onsite shared learning	Initiation pathway or certification program
Respectful spiritual friendship	Gossip, ranking, or public sādhana scoring

Family commitments

By joining Cycle 1, each founding family agrees to:

1. **Protect Saturday 2:00–4:00 PM** as a real calendar commitment.
2. **Aim for whole-family participation** (parents onsite with children).
3. **Communicate absence or lateness** before the session when possible.
4. **Arrive ready to begin** rather than expect a full restart for late arrivals.
5. **Attempt the minimum home practice** each week (usually 5–15 minutes).
6. **Respect host property** and common house rules during the program.
7. **Follow child house rules** and support facilitator redirection.
8. **Avoid gossip, comparison, and public humiliation.**
9. **Give respectful private feedback** rather than side conversations.
10. **Retain primary responsibility** for their own children.
11. **Keep private information private** (no public child ranking; no photography/recording by default without agreement).
12. **Pause or leave respectfully** if the program is not a fit.

Attendance philosophy

Attendance is not a measure of spiritual worth. Unavoidable absence with communication is normal. Repeated patterns of lateness, absence, or non-participation lead to a private support conversation — not a public leaderboard.

Facilitator correction authority

During KUTUMBA time, facilitators may calmly redirect behavior for safety, respect, and learning. Parents remain primary caregivers and support redirection. Host property and safety rules also apply.

Feedback route (private)

Use the template questions: What helped? What confused you? What should we adjust? Any safety/comfort concern? Are you able to commit to the next cycle?

Pause / exit

A family may pause or withdraw with dignity. No public explanation is required. Remaining families continue without commentary.

Acknowledgement

Use [FAMILY-COVENANT-ACKNOWLEDGEMENT-TEMPLATE.md](#) for local paper/print acknowledgement. Do not store completed forms in this public repository.

Child house rules

Parents remain onsite. Facilitators guide the session. Host property rules also apply.

Shared rules (all ages)

13. Keep your body safe — feet on the floor; hands gentle.
14. Use respectful speech — no teasing, yelling, or mean labels.
15. Follow the facilitator safety cue immediately (pause / freeze / come here).
16. No jumping on furniture.
17. No indoor throwing.
18. No writing on walls, books, or furniture that are not activity materials.
19. Ask before entering private rooms.
20. Respect belongings — ask before touching what is not yours.
21. Devices away unless the lesson specifically needs them.
22. Snack only in the allowed area; water anytime with permission.
23. Help clean up before leaving.

Correction ladder (no public shame)

24. Calm reminder
25. Redirect / offer a choice
26. Brief quiet reset in a visible space
27. Parent involvement
28. Sit out a specific activity
29. Private parent/program conversation for repeated patterns

Never: public shame, yelling, sarcasm, corporal punishment, forced chanting, or comparing children.

Younger (K–2) emphasis

- Soft voices indoors
- Stay with the group
- Hands to yourself
- Ask before leaving the room

Older (Grades 4–5) emphasis

- Model respectful speech for younger children
- Devices fully away unless assigned
- Help clean-up leadership
- Honest questions welcome; speculation wait for source check

Teacher readiness

Goal: A lesson-ready teacher can teach this week's objective without inventing doctrine.

Lesson-ready checklist

A teacher is ready only when they can:

30. State this week's **objective** in one sentence.
31. Explain the **key source** at the depth required for their band.
32. Name one **misconception / boundary** for the week.
33. Distinguish **scripture** vs **analogy**.
34. Distinguish **quotation** vs **paraphrase**.
35. Identify **no-speculation zones**.
36. Safely run the week's **activity**.
37. Answer common questions **or defer appropriately**.
38. Apply **no-shame** correction rules.
39. Know the **parent handoff** for reunification.

Approved deferral line

"I don't want to guess. I will verify that from Śrīla Prabhupāda's books / our source packet and come back to you."

What this is not

- Not a credential or initiation claim
- Not permission to invent philosophy
- Not a substitute for local temple authority

Pre-week rhythm

Use `TEACHER-PRE-WEEK-CHECKLIST.md` plus each week's `teacher/PRE-WEEK-CHECKLIST.md`.

Authority boundaries

May	Must not
Teach from prepared packet	Invent verses or purports
Use approved analogies with limits	Claim science proves ātman/karma/God
Defer hard questions	Force children to chant or confess
Redirect safely	Publicly shame or rank children
